

About Riello Galatrek Ltd and Riello UPS Manufacturing srl

Riello Galatrek Ltd. is the UK subsidiary of Riello UPS Manufacturing srl, manufacturers of over 100,000 UPS units a year and a dominant force in the European UPS market, with a presence in all key sectors. Riello UPS purchased the uninterruptible power systems sales and services business of Advance Galatrek in March 2003 to form Riello Galatrek Ltd. and combine the strengths of the two organisations.

Riello Galatrek operates a UK based technical team for support, custom UPS design and UPS accessory development. Primary UPS development is carried out by Riello UPS at three research centres in Italy. Development focuses on advancing UPS technology with improved performance, enhanced features and the ultimate in reliability. The Riello product range covers 400VA to 6MVA with a host of remote monitoring software options include the TeleGuard 24/7 service package.

A further service provided by Riello UPS is their Technical Energy Consultants (TEC) division. This is staffed by experienced engineers who provide advise on UPS design, selection and customisation for large installations to consultants, specifiers, installers and corporate users. The TEC division also runs a number of Energy Forums across Europe with leading partners to help prompt discussion on power protection and business continuity issues. Riello Galatrek, the UK subsidiary of Riello UPS runs such Energy Forums in association with The Institution of Electrical Engineers (IEE).

Riello Galatrek's UK headquarters is located in new premises at Wrexham, just off the M53 and within 40 minutes of Manchester airport. Here customers benefit from training for their own service engineers and other support such as; site surveys, installation,

commissioning, on-site training and 24/7 remote monitoring. The company operates
